JOSIAH TURNER, Jr., EDITOR.

STILL ANOTHER ANECDOTE OF DANIEL WEBSTER.

A Boston correspondent assures *Harpers Magazine* that the following, one of the many funny anecdotes that Portsmouth (N. H.) people tell of Mr. Webster, has not appeared in print:

During Mr. W.'s residence in that city in his younger days, there was a furniture dealer named Judkins, doing business in the town, who was a very well informed, as well as ambitious man. He was patronized by Mr. Webster, who often dropped into the shop to order or superintend the making of some piece of furniture. These opportunities of conversing with a man so learned as Mr. W. were the delight of Mr. Judkin's life; and, on the removal of the former to Boston, the payment of a considerable debt due Mr. J. was willingly left for future settlement. Attempts were made at various times to collect the debt—always in vain.—Finally, Mr. Judkins determined to go to Boston and see Mr. Webster himself. He reached the city after a long and fatiguing stage-ride, and, making a Sunday toilet, proceeded to the large house on the corner of High and Summer streets. "Is Mr. Webster in?" asked he of the servant who answered the bell. "Yes, but he cannot possibly be seen." "But I must see him." "No; he is entertaining some Washington gentlemen—they are dining." Mr. Judkins had heard of subterfuges, and believed not the serving man. "Well, I will come in and wait till dinner is over." The puzzled servant, needed below stairs, decided to take the importunate stranger's name to his master. Fancy the surprise of Mr. Judkins at seeing Mr. Webster rushing up stairs and insisting upon the poor man's joining his friends at the dinner table! He would take no denial, and carried him forcibly almost, introducing him as "my old and dear friend, Mr. Judkins, of Portsmouth," and seating him between a distinguished Bostonian and the Secretary of the Navy; and, to use the words of the worthy cabinet maker, "I was for four mortal hours just as good as any body; my opinion was asked on a good many subjects, and they all seemed to think that I knew a great deal. I was invited to visit them, and to go to Washington, and everybody asked me to drink wine with them; and, by George, I made up my mind never to ask for my bill again. I was a poor man, and needed my money, but I had been treated as I never expected to be treated in this world, and I was willing to pay for it."

THE MASSACRE OF CHRISTAINS IN CHINA.—The American Press Association despatches give the following additional details of the massacre; Advices from Pekin give the particulars of a fearful butchery of the French residents in that city by a mob of Chinese. Upon the 21st June an organized mob, imbued with an intolerant hatred of foreigners, and especially of French residents there, appeared in great mass in the quarter populated by the latter and immediately commenced beating and maltreating all Frenchmen whom they encountered. They, however, met with some resistance. I fought with fury, the Chinese procured all manner of weapons and began a dreadful massacre of the French. They entered their houses and sacked many of them, maltreating the inmates and dragging them forth into the streets where they were beaten with staves and bludgeons, and stabbed with knives. Many were killed or will die from the injuries inflicted. Some of the Chinese used fire arms.

The residence of the French Consul was broken into by a party, and himself and the Secretary of the French Legation were brutally massacred, and some of the attaches wounded. The rabble also killed several Sisters of Mercy and a number of priests, all foreigners, and mainly French. They also beat to death several Russians. All French people overtaken were killed or shockingly maimed. In fact the rage of the Chinese appeared to be directly expended upon this class of foreigners. Not content with their fiendish work they repaired to the Roman Catholic Cathedral and drove forth the worshippers and took possession, and after sacking set fire to it, causing its total destruction.

AN OLD MANUSCRIPT.—At Upsala, in Sweden, there is a curious and renowned old MS., commonly known as the Silver Handwriting. It is a translation of the Bible into the original Gothic, and the best authorities claim that it was written toward the end of the fifth or the commencement of the sixth century. It was discovered in the sixteenth century, at Verden, on the Rubr, and its authenticity was at once established. It was taken to Prague, but the Swedes took it away in 1648, and carried it to Stockholm; thence it was taken into Holland, and was bought back again for Sweden by the Chancellor de la Gardie, for $400. He had it magnificently bound in a solid silver cover, and in 1669 presented it to the University of Upsala. It is written in silver, on crimson parchment. The headings and a few principal passages are in gold. It is rich in Byzantine tracery of symbolical devices. It numbers 330 leaves, with twenty lines to each page. Only two punctuation marks are used throughout—the period and the colon.

The Western Unitarian Conference adopted strong resolutions against the recent official sanction given by the President, Vice President and Secretary of State, to the forthcoming assembly of the Evangelical Alliance" in New York. They deprecate such action, because "it is popularly understood that one great purpose of such an assembly is to issue a sectarian confession of faith against Catholicism on the one hand and liberal Christianity on the other." They characterize it as "a very dangerous precedent, and calculated to excite alarm in every free and unsectarian mind, as looking to the official recognition of a special form of religion, if not a national church."

Claimants to the property located at the corner of Broadway and Canal streets, New York, valued at $8,200,000, have turned up in a Georgia village. They say one of their ancestors gave a lease on this land for one hundred years, which time has just expired. The tenants on the property have no intention as yet of moving.

A very polite Frenchman applauded vehemently at the close of an exceedingly tedious performance by a fair but wretched musician. Why do you applaud? asked a bystander. Mon Dieu! because it is ended!

The subscriber begs to return his thanks to the many friends of Kittrell's Springs Female College for the liberal patronage which gave to that institution an unparalleled success. It is due to them that he should assign the following reasons for leaving that location:

1. He can CHAPEN EDUCATION. The property at Kittrell's is too expensive to establish there a permanent school at low rates. The buildings are of wood, requiring constant repairs, inflammable to fire, and erected originally as a summer resort.

2. The desire expressed by so many to have Kittrell's Springs again opened as a watering place.

3. The kind and almost irresistible overture, made by the good citizens of Oxford, to come into their midst. Every appliance of the school at Kittrell's, including pianos, furniture, &c., has been moved by them free of all charge.

4. The wide-spread and justly deserved reputation of Oxford for health, refinement, and untiring zeal in behalf of education.

5. The unanimous action of the Board of Directors in placing the College in his charge for ten years.

6. The pupils in attendance at Kittrell's the past session, with scarcely a exception, have been entered for the next session at Oxford, many parents expressing a preference for that location. This fact is most gratifying, and he congratulates himself that his former patrons sustain him with so remarkable a unanimity. He expects, with the help of his former most efficient and accomplished Faculty (all of whom accompany him,) to build up in Oxford a permanent and first-class College for young ladies, one that shall be a joy to the State, and an ornament to the South.

REGISTER! REGISTER!

Don't forget that every man in Wake county must register anew this year, before the August elections if he would vote.—The same is true of every other county where changes in township or county boundaries have been made.

The fact is, the law plainly requires every man to register, and it is the safest plan to do it.

WHAT HE ENDORSES.

Mr. Phillips, in accepting the nomination of the Radical party for the office of Attorney General, endorses that party, and gives whatever moral weight of character he has, to the continuance of that party in power in North Carolina.

In doing this, he endorses Gov. Holden, who is the head, the soul, the moving spirit, of the party in the State.

In endorsing Gov. Holden, he endorses his appointment and confirmance of the swindler, Littlefield, as President on the Western N. C. Railroad; the sale of the school lands; the sale of the North Carolina Railroad bonds; the organization of the State troops; and other military movements to prevent a free election.

In endorsing the party, he endorses the late legislature, their extravagant waste of the public money, their enormous appropriations and their seven dollars a day.

In endorsing the party, he endorses the partisan Board of trustees of the University of North Carolina, the carpet bag faculty of that institution, the driving thence his brother Charles, together with Fetter, Martin and Hubbard, to put in Sol Pool, Brewer, Martlin, and Patrick.

Truly he is a man with a strong penchant for endorsing.

"WE WILL TAKE IT"

The Governor says, in an editorial in the *Standard*, "about the $30,000 raised for the North Carolina election. Send it on we will take it."

No doubt of that. The Governor received and distributed money at the last election.

When in Washington he arranged for money to be sent here to be used corruptly in the coming election.

A Republican informed us that $75,000 was sent from Washington City and other points, to the State of Connecticut to buy up and corrupt her people in a recent election.

The Governor distributed money at the last and he will distribute it in the coming election in North Carolina. You will soon hear of all independent Republican candidates withdrawing, they will retire with money in their pockets as Dowdee says Jim Harris did in their former campaign. The Governor has and will further introduce the use of money in our elections. This pernicious and corrupt practice has long prevailed in the North. The Governor says "send on the $30,000, we will take it."

FORSYTH COUNTY.—A friend in Forsyth, fully posted in regard to the state of affairs in that county, writing to us for certain documents, which, by the way, we are sorry we cannot furnish, says, "We have hopes of carrying Forsyth, and the *Reds feel it.* They are hard at work, and some attempt to deny the genuineness of the Phillips speech in 1866. Leach's speech here last week had a fine effect."

John D. Currie, Esq., has been nominated for the Senate by the Conservatives in the District composed of the counties of Bladen and Columbus.

JUDGE SHIPP AND MR. PHILLIPS.

No one will question that both Judge Shipp and Mr. Phillips are qualified to fill the office of Attorney General. So far as their legal knowledge is concerned, if either were elected, we should have a qualified officer. In literary reputation, social position and personal integrity they have been equals. Both have heretofore claimed to be conservative in politics; but the question is, what are they now? What relations do they sustain to the interests of North Carolina, and which of them deserves the support of honest, true North Carolinians?

The office of Attorney General, like that of Judge, in North Carolina now, is a political one. So long as they are elected by the people, they will be elected by a party and will be expected to render partisan decisions. This is undoubtedly true. The Radical party in Congress refuse to appoint a Judge until they know his decisions on certain points will accord with Radical views and wishes. The Judiciary all over the country is liable to the charge of being partisan. Several of Judge Pearson's decisions, since his election by the Radicals, have been ignored by that party, and have been displeasing to them, because they were Conservative and not Radical; but they always expect Radical decisions from Judges Reade, Rodman and Settle, certainly, if not so certainly from Judge Dick. An Attorney General's opinions are expected to be the opinions of the radical party, while they are in power. If Mr. Phillips should be elected and did not give Radical opinions or decisions (as he now certainly would, having fully gone with the Radical party,) he would stand no chance for a U. S. Judgeship or Senatorship. This is the practical demoralization inculcated and promoted by the Radical party.

Judge Shipp makes personal sacrifices to be a candidate. He does not desire office, but only yields to the wishes of his friends, to serve the State. He abandons no principles, sacrifices no moral or social position in accepting the office, and would do his duty fearlessly without regard to party. He would be in a position and would act with a party that exacts no departure from principle and honor, to serve the party, but will expect and require him simply to do his duty.

We regret that Mr. Phillips' course of action puts us to view him in a different aspect.—Abandoning his life-long consistency, he ignores his friends and his conservatism, to accept an office on the Radical party. Disgusted with Holden as he long has been; denunciatory as he had been of the waste and robberies of the Radical party, he suddenly, for the sake of office, becomes first an apologist for, and at last a defender of Holden and that party. We blush for him when we think of the past.

Will any one calling himself a Conservative or a Democrat, think of voting for Mr. Phillips, under such circumstances, in preference to Judge Shipp? Impossible! Such a man may call himself a Conservative or Democrat, but he is mistaken. He certainly has no defined political principles and no definite object in view, except to be ready, as Mr. Phillips has done, to catch on whatever side, any office that may drop somewhere near him. Mr. Phillips has done this throughout his antagonism with all his former life. The love of office suddenly converted him from a denouncer of Holden and his course, of the waste and stealings of the Radical party, to being an apologist first, and then a defender. We should like to know Mr. Phillips' views on Holden's military plans. Let the Democrats call him out on this point wherever he speaks.

OUTRAGEOUS BEHAVIOR OF KIRK'S MEN AT SALISBURY.

Hon. Josiah Turner, Jr.

SIR: A detachment of Kirk's men arrived in Salisbury, on Friday 8th inst. Upon their arrival they were stationed on the platform at the depot, and immediately proceeded to block up all the avenues leading to and from the trains. A citizen wishing to take the train, tried to get his baggage on and was ordered back at the point of the bayonet; but was finally permitted to leave after some altercation.—Upon performing this brave feat, they collared two young men and presenting fifteen or twenty muskets and pistols, threatened to shoot one of them if he did not leave.—Instead of being intimidated, he cursed them and dared them to touch him.—Finding he had more pluck than any of them, they let him alone. They not only vented their spleen upon the white men but also insulted a colored man.

But the worst remains to be told. Late in the evening a squad of men marched on the sidewalk, when they came to the piazza of the Mansion House their commanding officer fired his pistol into the floor, then turning around, to his men he asked, why they fired before he told them. One of them replied, "that shot came out of the window." He had scarcely ceased speaking, when several of them thrust their muskets through the dining room window, at the very time they were eating supper and the table was crowded with ladies and gentlemen. These fellows deliberately pointed their guns at them and snapped the caps. The room was cleared in a moment; there was a perfect stampede. The ladies screamed and the gentlemen rushed out to see what was the matter. Kirk made the remark, that he once tried to get to Salisbury and had not, his men rebelled; that he would have laid the place in ashes, and if there was a gun fired he would do it now.

Now, Mr. Editor, these are facts and we have stated the events to you exactly as they occurred. Between twenty five and fifty persons witnessed the whole of this, and we can vouch for the correctness of all we have written. These things took place at a time when the community was in a state of profound tranquility. From the time Kirk and his men reached town until they left, their whole desire seemed to be to get up a disturbance. The citizens knew this, and they were determined that Gov. Holden should have no excuse whatever for declaring the county in a state of insurrection and placing his myrmidons there to control the election. There are no Ku Klux in Rowan county and never have been, and these insults of Holden's militia were entirely gratuitous and uncalled for. Further comment is unnecessary.

Yours truly,
TWO EYE WITNESSES.

Why is it? We fail nearly every other day to get the Wilmington *Journal.*

CHALK LEVEL,
July 12th, 1870.

MR. EDITOR:—When great outrages are committed upon a whole community, if there can be no redress by law, the public should be informed of it, and public sentiment evoked for its condemnation in order to prevent a repetition of the crime.

On Saturday last about 8 o'clock, when my family were making preparations and about starting for Church in company with the Presiding Elder, Mr. Adams, my premises were invaded and my family put in terror by the sudden appearance of armed soldiers who surrounded my house. My family is composed of three daughters and two sons; my wife and one daughter are afflicted and have been for some time. The law should protect them from such ruthless visitors. My sons are young men, members of the Methodist Church to which I belong. I have great comfort in knowing that they are christians and that their characters have not suffered by the false charges brought against them, or the stain which the jail usually leaves upon a prisoner's character.

My sons were arrested, charged with intimidating voters, when, in fact, a negro named Prince had been shot. I do not see how the shooting of a negro could be tortured into intimidating a voter, one month before the election.

A detective of the Governor named Booker, came, with ten U. S. soldiers, to make the arrest. I learn that on Friday night, about 10 o'clock, the house of Mr. Stephens was besieged and his sons arrested. The detective and soldiers marched next to the house of Dickson Stephens and arrested him about one o'clock. Next they came to my house, from my house to the house of Miles Prince, to arrest his son, a lad. The lad was at Church, so they missed him. When he heard of it he followed the detective and soldiers to Raleigh and surrendered to them.

The line of march was from Pince's to William Trulove's, when Mr. Trulove was arrested and put in jail, leaving his mother, an aged woman, alone and in great distress. The little army marched from there to a widow lady's, Mrs. Cotton, for the arrest of Norman Johnson. Johnson was the only protection for Mrs. Cotton and her daughter. He, too, was hurried off and lodged in jail. Then the march was to the house of Thomas Cross, for the arrest of his son, Marion. Marion was at Haywood, so they missed him. Marion, like young Prince, hearing of the search for him, followed up the posse and surrendered to the detectives and soldiers in Raleigh.

Next to Mrs. Sloan's, a widow, where they arrested her son William, a lad of 18; hurried him off and lodged him in jail to the terror and distress of his mother.

Next to Mrs. Barham's, a widow lady who has two daughters but no son. Geo. Sloan is the male protector of this family; he was not at home but followed on as Prince and Cross had done. The last castle they stormed was that of Deacon William Norris, in Wake. There were three sick children in this house. The old man, Mr. Norris, was out plowing; a sick child 11 years old went for him, and became in time to see his sick son marched off under bayonets to sleep that night on the ground, and the next in jail.

The warrant called the 12 persons, only nine were arrested, three followed as mentioned, and surrendered themselves. On Sunday about 11 o'clock the nine young men were taken to the soldiers' camp in Raleigh, where they remained until 3 o'clock, and were marched off to jail instead of allowing them bail.

Lieutenant Powell kindly offered to keep the young men at camp under guard, but this was not allowed. I have personal acquaintance with most of the young men arrested. I am informed that all but three are members of the Church in good standing. If any constable or sheriff had summoned them they would have gone. Detective Booker told my son William, he could have arrested them by himself, and I feel that he could.

I regard this Mr. Editor, as a great outrage, not alone upon the widows, sick women and children, whose houses were visited, but an outrage upon the constitutional rights and personal privileges of every man in the land.

The Governor and those who planned the expedition are not aware of the extent to which such lawless crimes against the citizens' rights and liberties inflame and arouse a whole people. We admonish and advise him, if he values the peace of society, not to make such a raid upon other communities. I and mine have been among the greatest sufferers by the late lawless raid, I want no blood, no vengeance for the outrage offered to my whole family, and especially to my sons. "Vengeance is mine I will repay saith the Lord."

If the Governor or his party think they have had a victory, let them enjoy it, it was a victory of lawlessness over innocence. It was the shining bayonet overriding the rusty constitution. We have never in so short a time known the sacred constitutional rights of so many families and persons violated under so flimsy a pretext. I have made this longer perhaps than you will like to print, but I thought the public should know it.

Respectfully yours,
O. W. PEGRAM.

REGISTER! REGISTER!!

Let every candidate in the county tell the voters that they must *all* register.

Let every man tell his neighbor that he must register, in order to vote.

Let every voter in every county in the State register.

Don't mind what any body says, but register! register, and then vote the Conservative ticket.

The residence of Mr. Charles, in the town of Ridgeway, was totally destroyed by fire on Tuesday morning last. The fire was the work of an incendiary.

Geo. W. Doggett, residing at Sulphur Springs, Rutherford county, was killed by lightning last week.

The following account of another Ku Klux outrage, perpetrated in Buncombe county on the night of the "glorious" 4th inst. is taken from the columns of the *North Carolina Citizen* of the 7th inst.

The Governor will have to send the hero Clark co. to Kirk's assistance:

"On Monday night the store of Alexander and Ray, at French Broad, was broken open and a large amount of goods stolen.—On the following morning, as Mr. Rymer and Mr. Edwards, residents of that neighborhood, were proceeding to their fish traps they discovered two negroes in the thicket assorting various articles of cloth goods.—The negroes were heavily armed. Messrs. Rymer and Edwards hastened to procure arms, and picketed the road. But the negroes opened a warm fire, and compelled the surrounding force to retreat. Subsequently a mounted party pursued the robbers and captured one."

OXFORD, N. C., July 9, 1870.

MR. EDITOR: Dear Sir—Some time ago I sent a short article to the Ridgeway *Press*, calling on the Sheriffs of Warren, Granville and Orange counties, to account for or explain a strange and unaccountable disparity in their reports to the Treasurer or Comptroller, of the poll tax collected on the colored polls in their counties in 1868.—The Sheriffs of Warren and Orange, knowing that they had discharged their duties in that respect, have made no reply, but the Sheriff of Granville, James J. Moore, seeing the ridiculous position he occupied, has attempted to reply, but has made a ridiculous failure. He does not pretend to answer the interogatories put to him in that article, but attempts to show that I had made a false statement. He says that I say there are two thousand colored tax payers in Granville. It is true, the article, as it appears in the *Press*, does so state, but by reference to my manuscript, you will find it states, about one thousand; however, this may be that is not the question I put to these Sheriffs. What I ask these Sheriffs to explain is, why is it that the Sheriffs of Warren and Orange pay between forty and fifty cents upon the colored poll and the Sheriff of Granville only pays a little less than three cents on each colored tax payer! Is not twenty-six dollars a little less than three cents each on about one thousand colored tax payers!

This same Radical Sheriff attempts to get off by saying that *I know* he had collected more money than that, and that he had accounted to the Commissioners and the State for the same. I say that I knew no such thing, but suppose I had known it, what had *that* to do with his report, to the State Auditor, the only thing referred to in my article? I did not ask him what he had done since, but simply to explain as to the report referred to. Moore says, he can prove that I *knew* he had collected more money and paid it over, &c. I say, he can prove no such thing. What he calls proof is this,—Robert L. Barnett, Esq., said in my presence, that he intended to see Moore about that twenty-six dollar report of his. Some days after, I met Mr. Barnett on the street, and he said to me, he had seen Moore and inquired about that twenty six dollar matter, and that Moore said he had collected about four hundred dollars since; *this*, is by no means satisfactory proof with me, either that he had collected, or paid it over.

* * * * * * *

Mr. Moore says, I hate Radicals and negroes but give no proof of it. If Mr. Moore will give some proof of the truth of his declaration, *then* I will notice it more particularly. I will only say now, that where Mr. Moore has used one dollar for the purpose of aiding the negro, I have used ten. What evidence has Mr. Moore given that he *loves* negroes? Does he invite them to his house, his table and his bed? No—but he invites "the lowest dog in Granville" to all these comforts, because his skin is white, and he is a Radical!

I will now dispose of Mr. Moore, by tendering him a little advice, that is, when he attempts to write another letter for the public eye, I would advise him to consult his friend and associate, Mr. Cyrus Curtis. I think, both his style and language will be greatly improved thereby.

Very truly yours,
P. A. L.

GRAHAM, N. C. July 11th, 1870.

MR. EDITOR:—DEAR SIR:—It is obvious to every thinking mind, that Ashley, Superintendent of common schools, intends to evade the responsibility for the schools that have been taught in this county, but as a tax payer I want to hold him up to the public as wholly incompetent for the position which he occupies. He has not the capacity to execute the school law, or put the machinery in operation. Since my last letter he has seen proper to enquire privately, who "Truth" is, and informed the examiner of teachers, that the schools taught in this township and other townships of the county are *illegal*, and will not be paid for. What are the facts? So far as I am able to learn, the Chairman of the County Commissioners of this county directed the School Commissioners to go forward and make the best arrangement possible, for he (the Chairman) was authorized by the Superintendent of public schools, to say that the teachers employed to teach the free schools, would be paid, no time specified, but would be paid on the warrant of the Treasurer of this county. Acting upon this authority, the Commissioners of this township employed a teacher, he taught the time employed, fulfilled the contract to the letter, and after the school is taught the Sup't. declares *the school is illegal*, and that he will not pay, for the time taught. Two other schools have been taught in the same way, and one now under way, the four schools, are declared by the Superintendent to be illegal, after they were taught by *his authority and direction.* I ask, who is responsible? the schools have been taught according to contract. The School Commissioners say they won't pay. Ashley says he won't pay, are these teachers to loose their time? Surely they are not able. The management of the schools, in this county is enough to prove that Ashley is trying to cover up the fraud and corruption of the present administration. He well knows that there is not one dollar in the Treasury to pay. Why don't he come out and own up like an honest officer of the public? (it don't suit his purpose at this time.) The school money is squandered, and Holden, Ashley & Co., is responsible. Enough for him and his incompetency.

Lieut. Ray has got one volunteer from Randolph. Kirk has arrived at Company Shops with 200 militia. Mr. Editor allow me to make a suggestion to the Governor, that is, when he gets his troops fully organized that he put himself at their head and march to the waters of Alamance, as Tryon did from Newbern, to fight the Regulators. Are we to have a free election? If we do Holden will be taught a lesson that he will not soon forget, at the ballot box.

Carpet bagging has become common, we have a native carpet bag gentleman a candidate in this Senatorial district, Major Smith, President of the N. C. R. R. Co. He will know that he does not regard this county as his home, he is here at Holden's pleasure, as soon as he is dropped as a Director, he will return to Johnston county. If you were a member of Congress, you could with the same propriety, run for an office in Washington as the Major runs for the Senate, but then the prospect for his defeat is very good, he will not have the chance to live in Johnson and represent this district, unless he and Kirk prevent a fair election, that is his only chance. Several applications have been made for the pups of "Lynn," so celebrated for running cold tracks during the war, when the Major hunted deserts.

Col. J. B. McMurray has been thrown overboard by the Radicals of this county and takes it very quiet, he acts as though he was afraid of the Albrights and Hardens—he was the leader of the party two years ago in this county, he can tell about the League if he will.

NEW SYSTEM,

devised by its talented and distinguished Actuary CHAS. N. MORGAN, which must make it the leading Company in America, for persons in

MODERATE CIRCUMSTANCES,

and all who appreciate and demand the most UNQUESTIONABLE SECURITY, at rates in most cases, *considerably lower than* those of the leading Mutual Cash Companies.

The Equity of Issues Policies on *all* the plans of *Mutual* or *Stock* Companies, extending to policy holders, all their really desirable advantages. Its policies being *non-forfeiting*, the insured are privileged to *live and travel where they please* in any healthy part of the *world*, they participate in its profits, are allowed 30 days grace for payment of renewal of premium, a cash surrender value of policy, *and a privilege which has never been offered by any other Company*, that of converting Policies into

ANNUITY BONDS,

after the payment of 5 or more annual premiums.

Hitherto, I have been restricted in the very popular Company which I had the honor to represent to Stock rates alone, which most of the *Mutual*, and mixed Companies have adopted. This disadvantage, together with the multiplication of many new Companies, in this State, whose claimed to possess unusual charms, together with the extraordinary attractions presented by the popular features of other Companies, represented in this State, without an exception, and also additional privileges of converting policies, which the holder can not afford to keep up, or who to discontinue, because of the death of those for whose benefit the policy was secured, *of an Annuity Bond* which provides an income in cash *through life, or for a series of years as preferred.*

Circulars giving full explanations and any other information, will be cheerfully furnished, or forward in push the Old North State, to that position which her low rates and most ample security entitle her to occupy.

The colored people are especially invited to attend.

July 5th, 1870.

Notice.—The will be a meeting of the Conservatives of Johnston county, at the Court House, in Smithfield, on Saturday the 16th inst., at 12 o'clock, for the purpose of nominating a candidate for Sheriff of Johnston county. All the townships are earnestly requested to send delegations, as unity of action is indispensable to success.

MANY CONSERVATIVES.

July 9, 1870.

RALEIGH TOWNSHIP MEETING.

There will be a meeting of the Conservatives of Raleigh township, at the Court House, on Friday night, for the purpose of making nominations for the various township officers. Come one, come all; let us put forth our candidates and give our opponents a square fight on the first Thursday in August.

SPEAKING AT DURHAMS.

We are requested to announce that Hons. S. H. Rogers and R. B. Gilliam, the Conservative candidates for Congress for this District, will address the citizens of Orange, at Durhams, on Saturday the 16th of July next. Everybody is invited to attend.

ATTENTION CONSERVATIVES AND DEMOCRATS.

Messrs. R. H. Jones and G. H. Alford, two of the recent nominees for the House of Representatives on the Conservative Democratic ticket, and Messrs. W. R. Pool and Daniel Scarboro', nominees for County Commissioners, having declined to serve, being banned by the 14th amendment, I therefore, acting upon the advice of members of the party, hereby call the Delegates of the several townships of Wake County to re assemble in Convention at the Court House, in this city, on Saturday the 16th inst., to fill the vacancies on the Conservative Democratic ticket, occasioned by their resignation.

Melancholy Death.—Mr. Henry C. Patterson, a Mechanic in the Wood department of the R. & G. Railroad Shops, died almost suddenly yesterday at the Shops in this city. He had been afflicted a long time with disease of the throat, and had been under Medical treatment by Dr. C. E Johnston, and his throat was apparently improving. Yesterday forenoon he became worse and sent for the Doctor, who arrived about 11 o'clock, but all efforts in his behalf were ineffectual, and he died about six o'clock yesterday evening. Dr. E. Burke Haywood was called in consultation and an operation on the throat proposed, but the patient died before it could be performed.

Mr. Patterson was from Franklin county, and he leaves a wife and two children to mourn his untimely death.

New Drug Store.—Our advertising columns to day, announce the opening of a new Drug Store in Raleigh. Mr. Carmer has just arrived and opened a fine stock of entirely new Drugs and Medicines at the store formerly occupied by Mr. John G. Williams and the State National Bank. He is an experienced Druggist, having been engaged in the business for many years in the town of Washington in this State. He is a gentleman of excellent qualifications for the position, and will be found to be always polite and accommodating. He will give his personal attention to every department of the business, paying special attention to prescriptions as well as to the orders of country physicans. Call and see him.

From Stall 17.—After we had retired from the Local tripod, last evening, to seek a mouthful of fresh air in the suburbs, there was "laid on our table" a saucer of ice cream, with the "compliments of Charles Hunter," stand 17, in the Market House.—Having left, as aforesaid, our senior "pitched in" and appropriated the cream and cake, for fear it might melt before our arrival this morning, (a very sensible procedure,) and the report is, that "it wasn't bad to take."

Charles keeps a supply of the article at the above named place, where he will politely dish it out to his customers.

Raleigh Township, don't forget the meeting at the Court House Friday night.

Don't forget the County Convention on Saturday 16th inst.

TICKETS! TICKETS!!

Send in your orders for tickets. There is no time to lose. Let every county, where there is no local printing office convenient, make out a full, fair list of their candidates, and send them to us, we will print them on reasonable terms.

This ought to be attended to at once, otherwise inconvenience and loss of votes will be the result.

Improvements in West Ward.—Since our last notice of the improvements in the West Ward, several additional ones have been made, none of them of a very striking character, yet all of them adding to the pleasant appearance of their particular localities. The following are some of the improvements we have to note.

Mrs. Nancy Smith, an addition to her residence, giving it greater convenience.

Rev. Mr. Crowder, new fence around his lot and house newly painted.

Mr. John Nichols, an addition of a number of rooms to his residence, making it one of the most pleasant and convenient in the city.

The new residence of Mr. B. P. Williamson, west of Mrs. Taylor's, on Hargett street, is nearly completed, and is a handsome edifice.

The new car shed, known as the "round house," at the R. & G. depot, is nearly covered in, and when completed, will be the most complete structure of the kind in the State.

Several others to be noticed hereafter.

Ku Kluxed his Daddy.—We have information from Alamance that one of the Radical candidates of that county had beaten his own father because he had declared he would not vote for him. The old gentleman is seventy years old, and our correspondent saw him with his head bandaged, his arm in a sling and his body badly bruised in several places. Our correspondent says, "this specimen of Radicalism, together with his three sons and one Shatterly, went to the house of the old man on Wednesday last, and beat him most outrageously, inflicting on him the wounds and bruises he now bears."

Here is a case for the U. S. Commissioner; a son brutally beating his own father because he declared he would not vote for him. We will give the name of the perpetrator of this crime if called for.

Capt. T. J. Jarvis has been renominated by the Conservatives of Tyrrell county for the House of Representatives.

Capt. Jarvis not only made the people of Tyrrell an excellent Representative in the last Legislature, but reflected great credit upon the entire Conservative party of the State by his wise and patriotic course.

There is a letter for Miss Mary C. Landis' Oxford, N. C., detained in the Wilmington post office for lack of postage.

We learn from the Charlotte *Observer* that "our beloved" is shipping arms, ammunition, &c., to points in the Western portion of the State.

READ AND PONDER.

I never read a dozen pages of medicine in all my life, and of course know nothing about it. But, as I said before, Dr. Hammond is my authority for saying, that any man who smokes such good Cigars, or chews such good Tobacco, as you can find only at PINCK C HARDIE'S, need have no fear of becoming heath. But will, on the contrary, improve in health and increase in flesh so long as he continues to use them.

Indeed the authority of such distinguished Physicians as Dr. Hammond is not needed to convince you that I only assert what can be substantiated, by contrasting our esteemed fellow citizens, Jno. C. Palmer and Jas. M. Towles, "who never smoke," with such men as my friends Creech on the corner, Maj Tucker just opposite, Harvey Moore, of the SENTINEL, and Simon Hayes, the Livery Stable man, and a host of others I could name, who use my Cigars and Tobacco.

Suffer a word of exhortation; come and see me. Try my goods, and if I don't suit you go further and fare worse.

The Equitable

LIFE ASSURANCE SOCIETY OF THE UNITED STATES

99 BROADWAY, NEW YORK.

BURROUGHS & SPRINGS,

GENERAL AGENTS,

CHARLOTTE N. C.

THE EQUITABLE

HAS BECOME THE LEADING COMPANY OF THE WORLD.

Its New Business (sum assured), for the year 1869, exceeded that of the second company in rank by more than THIRTEEN MILLION DOLLARS.

In 1860 it was the 25th Company in new business for the year; in 1861 it was the 8th; in 1864 and 1865 the 7th; in 1866 and 1867 the 6th; in 1866, the 4th; in 1867, the 3d; in 1868, the 2nd;

In 1869 it was the FIRST.

The insuring public should not allow itself to be deceived with regard to the term "Annual Dividends". Many companies using this expression mean that their dividends are "annual" after they once begin to pay them at all; but they do not begin to pay until the settlement of the third, fourth, or fifth premium.

One hundred Dollars paid in dividends, at the end of *one year*, and each year thereafter, equals FOUR HUNDRED AND THIRTY SIX DOLLARS paid at the end of FOUR YEARS, interest at six per cent.

Applications for Assurance may be made to any of the Society Agents throughout the country, or in person or by letter to the General Agents.

Gentlemen of character desirous of forming a connection with the Society as Agents are invited to communicate with its General Agents.

A New Discovery!!

PHALON'S

"VITALIA;"

OR,

Salvation for the Hair.

CLEAR AS WATER!
WITHOUT SEDIMENT!!
OPEN TO THE LIGHT!!!

For Restoring to Gray Hair its Original Color

Phalon's "Vitalia" differs utterly from all the hair coloring preparations heretofore used. It is limpid, sweet smelling, precipitates no muddy or slimy matter, requires no shaking, imparts no stain to the skin. Hold it to the light and it is clear and colorless. It leaves no mark on the scalp; yet it reproduces in gray hair the natural color that time or sickness may have bleached out of it.

☞ Phalon's Vitalia ☜

is for one sole purpose, that of reproducing, with absolute certainty, the natural color of the hair. It is not intended as a daily dressing, nor for removing scurf or dandruff; nor for curing baldness; nor for stimulating the growth of the hair.—These objects may be accomplished after the color has been fixed with the Vitalia, by Phalon's Chemical Hair Invigorator.

The Vitalia is a harmless and unequaled preparation for the reproduction of the original hue of gray hair, and nothing else. This is accomplished in from two to ten applications, according to the depth of shade required. Sold by all druggists.

SWEET QUININE

Replaces the use of the BITTER SULPHATE QUININE, with which all are familiar. Dose for dose, it is

WARRANTED

Fully equal in every way to Bitter Quinine,

AND, LIKE IT, IS THE ONE

Great, Positive, and Unfailing

CURE

For all Diseases of Malarious Origin.

Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Bilious Fever, Dumb Ague,

and the long train of disorders following these when neglected.

SWEET QUININE

is made solely from **Peruvian Bark** (so is Bitter Quinine), therefore is of Vegetable origin, and not a Mineral poison, but on the contrary is proved to be one of the elements found in the blood of all healthy persons.

SWEET QUININE

acts as an **antidote to**, as well as a cure for, **malarial or miasmatic poison**, the absorption of which by the lungs causes Intermittent Fevers, etc. The only advantage claimed for

SWEET QUININE

over the use of old Bitter Quinine is the entire absence of that **intense, persistent bitterness**, which in the latter is an insurmountable obstacle to its use with most persons, and always with children.

SWEET QUININE

is in two forms—in POWDER, for the use of Physicians and Druggists, and FLUID, for use in the family and for the general public.

Medal Awarded by the Paris Exposition, 1867.

THE AMERICAN COMBINATION Button Hole & Sewing Machine

Has been honored with the *highest award* in premiums and diplomas wherever entered for competition at *fairs* and *exhibitions* held during the past season.

THE SIMPLICITY, EASE AND CERTAINTY with which this machine operates, as well as the uniform excellence of its work, throughout the entire range of Sewing, in

Stitching, Hemming, Felling, Tucking, Cording, Braiding Quilting, Gathering & Sewing on, Overseaming, Embroidering on the Edge, and its Beautiful Button-Hole and Eyelet Hole Work,

Place it unquestionably far in advance of any other similar invention.

It is also the CHEAPEST intrinsically, as well as the BEST, since it is really TWO MACHINES combined in one, (by a simple and beautiful mechanical arrangement, never before accomplished by human ingenuity,) making either the Lock Stitch or Button-Hole Stitch, as occasion may require. It is, at the same time, simple in construction, comparatively noiseless, easily understood, and in a word, it combines with these ADVANTAGES, EXCLUSIVELY ITS OWN, THE MOST DESIRABLE QUALITIES OF ALL OTHERS.

The public are invited to examine this remarkable machine at MRS TOMPKINS' Boarding House, (Mrs. Thompson's old stand,) Fayetteville Street, and at Watson's Photographic Gallery.

Instructions in the use of the machine will be given to all purchasers *gratis*.

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

A. BALDING'S

PATENT GLASS SUBMERGED

DOUBLE-ACTING FORCE PUMP.

SUBSTITUTE FOR A FIRE ENGINE.

THIS Pump will pump 30 gallons of water per minute, will never cut out the packing, has no friction, no water ever stands in its pipes to freeze, and is less liable to get out of order than any other pump now used. It can be set up in a short time by any ordinary mechanic.

The No. 3 pump for yard wells will be sold at from $20 to $30, capable of throwing 30 gallons of water per minute. The price of No. 2 for railroad stations, throwing 60 gallons per minute, will be given upon application.

Having the exclusive right to this pump for the states of North and South Carolina, and having established a factory for the manufacture of them at Wilson, N. C., I will receive orders for them at Wilson, and will ship them by Express C. O. D., or, if the money is sent me, by the regular freight. The number of feet in the depth of the well must be given in all cases.

MR. J. L. KITCHIN:

DEAR SIR.—We certify that the "Balding Pumps" put up by you in the town of Scotland Neck are a perfect success. They pump very rapidly, and by attaching hose, will throw water from 40 to 60 feet and would prove invaluable in case of fire.

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks,*—upon which elements of administration the security of a Life Insurance Corporation *depends.*

The laws of New York *compel* Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*

Insurers in looking around for Companies in which to insure, should carefully seek for this important SAFEGUARD. It will be found in the BROOKLYN LIFE.

The Globe has peculiar claims upon the Southern country, from having first introduced the non-forfeiting feature in all its policies. Its President, Mr. Pliny Freeman, was the inventor of the ten-year, non-forfeiture plan, and introduced it in the Company with which he was then connected.

The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash, without deduction.

To those desiring it, the Company will issue policies, registered and certified by the Superintendent of the Insurance Department of New York, as "secured by pledge of public stock."
